

Georgia Tech Career Matching

Student Activity Sheet

- [Georgia Tech is divided into 6 colleges.
- [Each college offers classes designed to prepare students for a career.
- [Draw a line from each career to the Georgia Tech College that teaches the career.

Career	College at Georgia Tech
Architect	Ivan Allen College
Factory Manager	College of Architecture
Airplane Designer	College of Computing
Computer Programmer	College of Engineering
Ambassador	College of Management
Biologist	College of Sciences

Let's Take It A Step Farther:

- [Which one of these careers would you like the best?
- [What would you do for your daily work in that career?
- [Draw a picture of you at work in that career.
