Attn. Mr. R. Earl Landers
Administrative Assistant

Gentlemen:

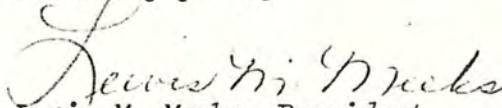

The City of Perry will hold a Straw Ballot on July 1 for the purpose of determining whether or not the people in this community want Federal Low-Renting Housing.

In this connection, the Perry Area Chamber of Commerce is making every effort to secure information and facts about the programs available, manner in which programs would be selected and administered, and the affect of such programs on Perry's future and prosperity. When this information is obtained, it will then be communicated to the public so they can make an intelligent decision on July 1.

To assist us in our study, we would appreciate your completing the enclosed survey form at your earliest convenience and returning to us in the envelope provided for you.

Any information which you give us will be presented collectively with that from other cities. No specific references will be made to your community.

Sincerely yours,

Lewis M. Meeks, President
Perry Area Chamber of Commerce
