Dear Mayor Allen:

I join with those who are singing paeans of praise for the courage you displayed in the recent racial incident. But, please be careful! Atlanta needs you.

When you were Foreman of the Grand Jury a number of years ago, and I was Secretary, I told you then that if you ever ran for Governor, I would like to help in your campaign. Instead, you decided to run for Mayor - and what a wonderful job you are doing.

Best wishes - and good luck,

Margaret P. Lindsey
