Mayor, Allen ✓

Dear Sir: -

Just want you to know the remarks
over television you made about Mr. Maddox
were very unreasonable and uncalled for.
If you would only consider it you have
called about 1/2 million people ignorant and
you the only one with any common sense.

I think for your own good and the good
of our State that you should go on television
again and take back all you have said.

I think I know and believe you do to the
reason you were forced to make such a
statement.

of Mr. Maddox

Yours Very Truly
