Mr. Collier B. Gladin
Planning Director
Department of Planning
City Hall
Atlanta, Georgia

Dear Collier:

I have in hand a letter from you addressed to Mr. Henry L. Bowden, dated July 1, 1969, concerning multiple contracts which are now in existence and which might possibly, from time to time, in the future, be entered into by and between Alan M. Voorhees and Associates and the City of Atlanta or one of its related agencies.

Subsequent to the time that Mr. Bowden asked me to handle this matter, I called you on the telephone and you apprised me of the fact set forth above, i.e., that the City of Atlanta would possibly use Voorhees and Associates at some point in the future.

Now, directly relating my comments to Mr. H. L. Stuart's letter to you of June 17, 1969, I am somewhat at a loss at this time to determine whether or not any present affirmative action is necessary in response to that letter. By this I mean I do not know whether or not the provision in contract with MARTA and Voorhees has already been executed or not. Assuming that it has been executed, I see of no way, under the verbage of that paragraph, whereby the City of Atlanta can benefit on the basis of a future contractual relation with Voorhees;

however, if the contract has not been executed, my thought would be to request you to contact Mr. Stuart with an eye toward having the proposed contract contain additional language which would create a benefit for us along the lines of the benefits now being realized by MARTA, the Atlanta Region Metropolitan Planning Commission, and perhaps several governmental bodies and/or agencies.

I think it would be premature for me to suggest any specific verbage, but request that you please approach this subject with Mr. Stuart.

Should we need any future communication prior to this undertaking, please feel free to contact me.

With my kindest regards, I am,

Very truly yours,

Thomas F. Choyce
