Dear Mr. Allen,

Your conduct has not gone unnoticed.
Too bad there aren't more leaders like
you. I'm a Yankee & an integrationist,
a WASP, but I just don't understand
how people can consider themselves

Christians and believe in democracy
+ not be willing to treat negroes as
human beings. We have many bigots
in the north and west, too. The usual
publicity coming out of the South makes
me feel it's one area I never care
to visit.

Sincerely,
Mrs. J. F. Hodgkin
