MEMORANDUM

TO: George

Mr. B. M. Huggins, 377-4315, called today regarding the Y.S.D. Boys Club in Kirkwood. Mr. Huggins advised he is the owner of a building at 75 Norwood Ave., N.E. and the Boys Club rents this building from him. He advised that since these Negro boys had moved into the building they had broken out the windows and the building was in deplorable condition. He also stated that they do not have any garbage cans but dump the garbage in a ditch in back of the building. The Sanitary Dept. could not be expected to get up this garbage.

He submits this only as information that in a short period of time they have ruined a good building and has no bearing on neglect of city services.
