Honorable Ivan Allen, Jr.
Mayor
Atlanta, Georgia

Dear Mayor Allen:

The duties and obligations associated with the closing of school and assisting in the United Negro College Fund Campaign, are my explanations for the delay in formerly acknowledging my acceptance of the assignment you have me at the Cosmopolitan A.M.E. Church, Tuesday night, June 6, 1967.

This comes to inform you that I have already had two meetings with a small group of concerned citizens, representing religious, fraternal, civic and business organizations. Another meeting is scheduled for early next week.

In due course, I shall submit to you the names and identify the interests and connections of the persons selected.

Sincerely yours,

E. M. Laws
