

OFFICE OF THE
DIRECTOR

The Commonwealth of Massachusetts

Metropolitan District Commission

Division of Zoological Gardens

Boston 02121

February 7, 1967

Mrs. L. W. Robert, Jr. President
Friends of the Atlanta Zoo
959 Biltmore Hotel
Atlanta, Georgia

Dear Mrs. Robert:

Thank you for sending me the information concerning the opening for Zoo Director in the city of Atlanta.

Earlier I had expressed an interest in this position. However, the salary range, as established, is not high enough so that I can justify making an application.

I have heard a great deal of the development and potential of the Atlanta Zoo, and I am sure I would enjoy an association with it and with the Friends of the Atlanta Zoo.

It is unfortunate that family financial consideration precludes me from submitting an application. I do hope your search for a competent zoo director is successful.

Truly yours,

MET. DIST. ZOOL. GARDENS

Walter D. Stone
Director
