Mr. I. Allen
Mayor of Atlanta.
Atlanta, Ga.

Dear Mr. Allen.

If You knew how ridiculous You sounded, when You spoke of Honourable Mr. Maddox, You would not have done same.

Many of us feel, that You not only owe an apology to Mr. Maddox, but also to many that preferred him, to any other candidate.

While nobody is trying to take away ^{any rights} from no-one, Mr. Maddox and many of us think, that white people have some rights also, which he will try to preserve for us.

Am enclosing two of Mr. Maddox's auto stickers, one for Your car, and one for Your FRONT DOOR, use them.

A fine democrat You turned out to Be

Its a pity, that Your friends, where not able to stamp You properly, the other day at the stadium.

Copy to Mr. Maddox
