Honorable Mayor Allen

Dear Sir

I have just read your
Statement in the Atlanta Constitution
Concerning the ignorance be the main
factor electing Mrs Lester Maddox, Mr Allen
in the last year's Tallapoosa Election our paper
here read about the same it read that the
Winner was elected only when ignorance had
prevailed and Mr Allen he had a ruff time for
a few days and was made to make a statement of
retraction to his neighbors our preachers our
deacons and best people in upson county voted
for Mr Maddox We in Thomaston respect you
Mayor Allen and most of your friends except this one
and I will say this my wife is a good woman
has two jobs and been a faithfull wife and mother
for our 3 daughters and she is for Mr Maddox, I
Dont believe even Rev Martin Luther King or Leroy
Johnson are better people than my wife
