Thursday

Dear Mayor Allen,

Just a line to tell you that I think it was a stroke of genius on your part to establish a Community Relations Commission here a year ago, and then to give them "carte-blanche" to do the things, and hold the meetings they thought were in the public interest! I think their achievements have been truly remarkable!

I am particularly interested because I moved here from Los Angeles, where we had had a County Commission on Human Relations, ever since the "zoot-suit" days. but they were not only "ham-strung", no one ever listened to them!

I sat and looked at you the other night, at the United Negro College Fund dinner, and thought how much I admired you.

Best Regards,  
Dorothy Gibson
