Your Honor -

First I must identify
myself (I am a Christian)
I was born in this City
I'm sixty five years old -

I was shocked and
grieved when I heard
the stand you and the
Governor are taking on
the C. D. Bill. I don't know
you, but I feel sure you
are both fine Christian men.

This CRA Bill is the most
vicious piece of legislation
Anyone has ever tried
to put on free people.

Before it is too late I
pray you take a good long
look and change your
mind. Try to ~~see~~ ^{think} what it will
do to you personally, none of the
white people will have any
rights.

The negroes don't give a rip
about schools churches etc,
Their ultimate goal is
intermarriage.

I surely pray that bill
will never pass

I certainly don't want
African jungle companionship
for my grandchildren.

The only thing I have to
say about the K. brothers
is they should have the
grand prize for tearing
every state in the union
apart, churches, schools,

Selling us out for the
negro vote. We have some
fine Christian negroes down
here, I have many colored
friends, we don't hate the
negroes, now we do have
some white trash down here,
I no respect for them.
have

Mr. D. can never appease
the negro, they just want
more and more, and
he keeps giving them
more and more -

I feel sure the horrible
bill will pass, he wields
his filthy millions, so
therefore he can buy what
he wants. He certainly
has forgotten we have
the Supreme Being ruling
this world. If this mess
ever gets straight, it will
have to be an act of God.

Man can never do it -
Well the only weapon
I have is prayer and faith -
Sincerely
Mrs. Zula B. Teat

I'm sure this letter
will bore you to death,
that is if you happen
to read it, I'm sure
if you do read it
you just get the Christians
view of this horrible
mess -
