Office of the Mayor
City Hall
Atlanta, Georgia

Dear Mayor Allen:

I have held off writing you concerning your statements regarding the recent Democratic run off, hoping you might possibly make a public apology.

Over 400,000 Georgians voted for Mr. Maddox. He is one of the few who has taken a stand against the so-called "Great Society" and has worked his way to this point without any help and with a lot of opposition. I am amazed to have read these comments made by you.

Mr. Mayor, what were your qualifications for your present job, before your election?

The experts seem unable to understand how Mr. Maddox won. It is my personal opinion that the public suddenly became fed up with the Cox newspapers and radio station WSB trying to influence them. Then after the selection, came Mayor Allen's comments and they are now sure they did the right thing. We have had enough.

I am glad I am a resident of Sandy Springs and that we voted against joining you in your City of Atlanta, because if there have been any "tarnished seals" you have certainly brought disgrace to the City of Atlanta.

Very truly yours,

Roy H. Beveridge
