Dear Mayor Ivan Allen Jr.

A picture is worth a thousand words. We saw what transpired when you tried to quell the rioters and you were thrown to the ground when these cannibalistic blocks shock you off the roof of the car.

I trust this has been a lesson to you & your constituents that one cannot compromise with these wanton barbarians.

You stand for law & order and these niggers respect only anarchy, arson, murder & rape. Let the punishment fit the crime. The white folk do not owe these rabble rousers a damn thing. They have always been lazy indolent and only interested in making a fast buck in dealing with drug pushing.

The ~~Sumner~~ group headed by Carmichael should be put in jail and the key thrown away. Firmness is the only rule that these revolutionist understand.

STOP THEM NOW before it is too late. They have gone too far already!!!!
