

# OFFICE MEMORANDUM

To Mayer Allen  
From Bill Howland  
Date July 31, 1963

Here is some more info on the ABC -TV series on civil rights . This seems like a pretty solid , both sides documentary job .

By contrast , the Press and Race ~~Issue~~ Issue scheduled for CBS TV on August 21 seems loaded on the backward looking side -- ~~Guest~~ <sup>Host</sup> Grover Hall, Jr., and James Kilpatrick , Jr., are noth die hard segregationists and Confederates .
