Mayor's Office
City Hall

Dear Mr. Landers:

I want to express to you my great appreciation for your presence at the meeting Tuesday evening, April 25.

As we have explained to each of the Department Heads that attended the meeting, we were simply responding to the requests of residents of these areas to arrange for them to meet with all of you at the same time.

We appreciate the cooperation which we have received from you, and look forward to our continued association.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sliz".
