Mr. Howard Glover  
995 Bolton Road, N. W.  
Atlanta, Georgia 30331

Dear Mr. Glover:

Thank you very much for your letter of May 7, 1969 advising me that a golf starter at Piedmont Golf Course cursed you on May 6, 1969 for moving a ball in the rack so you could read what number was up next.

I am immediately submitting your letter to Mr. Pierce Whitley, Assistant General Manager of Parks, for investigation.

I will not, and do not, permit profanity on the part of our employees toward the citizens of this City. However, we have had constant problems with various golfers attempting to move up their ball in the rack at Piedmont Park, and I can well imagine on some occasions there might be excessive frustration on the part of the starter.

Thank you again for calling this matter to my attention, and I am

Cordially,

Jack C. Delius  
General Manager of  
Parks and Recreation
