

Letter read from the County Attorney dated July 30 which is more fully set out as follows:

"Commissioners of Roads and Revenues
409 County Administration Bldg.
Atlanta, Georgia 30303

Re: Adamsville Health Center Property

Gentlemen:

Attached is memorandum from Mr. John C. Lemon concerning an agreement reached with City officials covering the joint use of the property on which the Adamsville Health Center and Adamsville Recreational Branch are located. As you know the County is preparing to expand the health facilities at that location.

It seems that the agreement reached by Messrs. Lemon, Mr. Delius of the Parks Department and Mr. Ivey of the Land Office, is equitable and I recommend that same be approved by the Commissioners and filed as a matter of information and record.

Very truly yours,

(s) Harold Sheats
County Attorney"

Commissioner Lindsey made a motion that the above letter be filed as information.

Said motion was seconded by Commissioner Aldredge and unanimously adopted by the Board.
