MEMORANDUM TO : The Honorable Ivan Allen, Jr.  
 FROM : W. R. Wofford *WRW*  
 RE : Suggested reply to Mrs. Henry H. Ware, Jr.  
 concerning  
 254-256, 258-260, 264-266 Clifton Place, N. E.

Dear Mrs. Ware:

Mr. W. R. Wofford, Building Official of the City of Atlanta, has advised me that your property at the above locations is situated in the Bedford-Pine Urban Renewal Project area. Property located in approved Urban Renewal Project areas is under the jurisdiction of the Atlanta Housing Authority, the City's agent for redevelopment.

A check with the Atlanta Housing Authority reveals that this project, which encompasses your property, is in the planning stage and funds for acquisition have not been approved by the Federal Government. However, the representatives of the Authority have stated that they anticipate acquiring the property in about a year. If you would like to make minor repairs and improvements in order to make the property rentable for this short period of time, you, as owner, have every right to do so, *alho the city will not*

*require you to do so -*  
If you desire further information, I suggest that you talk with Mr. Greenleaf (523-6074) of the Atlanta Housing Authority for guidance in this matter.

Very truly yours,
