Honorable Ivan Allen, Jr.  
City Hall  
Atlanta, Georgia

Dear Mayor Allen:

We have twelve employees in the Plumbing Division, and we are unanimously in accord with your wishes for Major League Baseball in the City of Atlanta.

We sincerely believe that you are capable of securing this franchise from Milwaukee, as well as a Professional Football Team in the very near future.

Many wishes for the continued success of your administration.

Yours very truly,

W. W. Mitchell, Assistant  
Chief Plumbing Inspector
