The Honorable Ivan Allen, Jr.  
Mayor, City of Atlanta  
City Hall  
Atlanta, Georgia

Dear Ivan:

You have the admiration and support of all law-abiding citizens of Atlanta by your courageous and heroic confrontation of the lawless mob of agitators on Tuesday.

It is clear to all that having the top elected official of the city in the forefront did much to quell the mob, and minimize the destructive aspects of this well-planned insurrection.

It is as painful to all citizens of Atlanta as it is to you to see our wonderful record in the area of race relations marred by outside agitators. Please be assured that you have the support and admiration of all of your friends and true citizens of our great city.

Sincerely,

John O. McCarty
