MEMORANDUM

TO : Nat Welch, Community Relations
FROM : Ivan Allen, Jr.

I had a complain that Mr. James Brown who lives in the Simpson Woods Apartments, telephone 799-6991, had attempted to rent a store in the Kirkwood area and had been denied this right due to the fact that he is a Negro.

Will you see if you can locate Mr. Brown and look into the complaint to see if it is valid and whether we can do anything about it.
