Dear Mr. Barr:

Since Mayor Allen is out of the city, I should like to acknowledge receipt of your letter regarding the Atlanta Jaycees "political Rally" you hope to hold in Plaza Park in October.

I shall bring it to his attention upon his return, however, in the meantime, I would like to suggest that you contact Mr. Jack Delius, General Manager of the Parks Department, regarding the use of Plaza Park, as it will require approval of the Parks Committee of the Board of Aldermen.

Sincerely,

Mrs. Ann M. Moses
