Hon. Arthur L. Selland, Mayor
City of Fresno
U. S. Conference of Mayors
1707 H. Street, N. W.
Washington, D. C.

Dear Mayor Selland:

I believe your inquiry of September 30th regarding human relations committees can best be answered by the attached testimony which Mayor Allen presented to the Senate Commerce Committee.

It is a very comprehensive synopsis of what has been done in Atlanta.

Sincerely yours,

Ann Drummond,
Executive Secretary
