

*Mr. Hughes is going to let us know about bringing Dr. Hadden over Thurs afternoon (9/28) - depending on his plane schedule —*

*(9/28)*

Wednesday, September 13th

*of Mr. Hadden*

Ann,

I called Ed Hughes office . . . he was out and I talked to his secretary . . .

The September 28th "hold" on the calendar is for the annual meeting of the Atlanta Traffic and Safety Council . . . Dr. Wm. Hadden, Director of the National Highway Safety Bureau is going to be the speaker . . . they are expecting some 400 people . . . it will be at 12:15 at the American Motor Hotel . . . they are most anxious for Mr. Allen to be present if possible . . . they are getting out the letters this week.

I told her that the Mayor has another commitment that requires his presence also, and that we would let them know definitely.

Betty
