Hon. J. Allen Jr

I had read where L G Maddox had  
now to Run for Gov of your Great City & State  
But as my Reading the cutting and your  
Honors statement that he is not qualified  
& unexperienced I certainly do agree with  
your Honor. Perhaps on Nov 8-66 Election  
Day he will have many a the Polls with  
at handly demanders that voters vote for  
Maddox. In that case your Honor I am  
sure no Colored voted for him & it must  
Be that the Whites all turned out to present  
him. No question to me it seems there is  
some thing fishy there & I was @ President  
there I'd also go Fishing on Nov 8-66. So at  
close to your Honor & yours my highest  
Respect

Yours truly  
George Mc Cullough
