Dear Sir,

It is with a great deal of gratitude that I write as an American citizen to thank you for your testimony before the Senate Commerce Committee, as reported in the attached article by Alistair Cooke in The Guardian dated 29th July.

If America is, in fact, going through a revolution its heroes and patriots will hold a high place in future history. I believe your statement before the Committee will accord you a very high place of honor. Any citizen should be humbled by it.

With sincere thanks.

Cordially,

Peter J. Rosenwald
