Atlanta Police Department  
175 Decatur Street, S. E.

O  
Dear Chief Jenkins:

Surely the Police Department is being subjected to very difficult times and circumstances. It has been said that with the charges of "police brutality" and various other pressures the morale of your men cannot help but suffer.

P  
For whatever it is worth, most citizens of Atlanta very much appreciate the fine job you and your men are doing and I would feel personally remiss if I didn't pass along this sincere commendation for the way in which they have carried out their duties.

Y  
Sincerely yours,

E. D. Lord
