MEMORANDUM

TO: Mayor Allen

FROM; Jack Delius

I have received a request from Calvin Craig for the KKK to hold a speech and rally in Howell Park at the corner of Gordon and Peoples Street in West End on Monday night, June 26, at 8:00 p.m.

George Royal and I reviewed the recently passed Parade ordinance and then I consulted Ferrin Mathews who told me that this type of activity was legal and that I would have no firm grounds for denying the request. Of course, we have not been denying similar requests from Craig and will issue a permit for this one.
