

our hearts we are helping other fraternal parties in this  
nations construct a new life. We and most important matter

Herblock in The Washington Post

"It's not only the committee room—the whole country is  
being packed with those damned American civil-righters."

would not have thought it nec-[peaceful coexistence] and con-  
essary to recall [this aid] if times to do so. We are re-  
those w
