518 ROTHBURY ROAD
WOODBROOK
WILMINGTON, DELAWARE

Sept 9, 1966

Mr. Mayor.

Dear Sir: -

It is about time that someone had enough guts to take care of that rabble rouser Stakley Carmichael and I hope that between you and the governor of your wonderful state that you can get enough on that damn nigger to put him away for a couple of years and really clip his wings

More power to you Mr. Mayor.

Sincerely

Edward Eppridge
