

N. a. a. c. p. Headquarter
Negro Republic
of Los Angeles

Dear Mr. Mayor

We took notice of your appearance recently before a Senate Committee where you took our side in our struggle to subjugate the white man. Our thinking being along the line of Marxian Telestic Materialism. We know that to do this you would have to be a traitor to your own people who are ninety nine percent opposed to integration.

However do not be discouraged. We can use Southern traitors in our organization. We inclose application inviting you to sign and return. We are sure you will feel at home with -

us. We have crushed the
white people of Los Angeles. They
have no rights except those we
see fit to grant. With your
help I am sure we can do
the same in Atlanta.

Here is to a new Negro
Republic of Atlanta.

Yours comradely
George S. Black
Secretary.
