

Sept. 28, 1966.

Mr. Mayor,  
Just a little reply  
to your reaction of  
the Maddox victory.  
I would first like to  
say that you are the  
most unqualified  
mayor Atlanta has ever  
had. Since you have  
been in office, the  
beautiful city has  
been turned over to  
your negro friends  
Dr. Martin Luther King  
& Mr. Stokely Carmichael.  
Our homes are gone to  
them, the parks &

everything else we  
white folks paying  
citizens have always  
prized is lost.  
I have been a taxpayer  
for over 50 yrs. but  
like many others, I am  
selling out & moving  
on the outskirts & let  
you & your colored friends  
have it.

I'm proud of God as  
I have never been before.  
The white people are  
sick & tired of you &  
the LBJ administration.  
Thank goodness, the people  
have spoken.

John. Ida Johnson
