Mr. Ross Vogelgesang
2041 City-County Building
Indianapolis, Indiana

Dear Mr. Vogelgesang:

I have scheduled a meeting for your group with Glenn Bennett and his key staff people of the Atlanta Region Metropolitan Planning Commission for 2:00 p.m., Thursday, November 7.

I have also scheduled a meeting for 9:30 a.m. on November 8 with Mr. Tom Shuttleworth to discuss land use variances and the Atlanta land use rules and regulations.

I have not attempted to develop a schedule for a tour of Atlanta programs or facilities. Col. Malcolm Jones, the Mayor's Housing Coordinator, will stand by on the morning of the 8th following the meeting with Mr. Shuttleworth to assist you in seeing those components of Atlanta's programs which you might desire to see.

It will be helpful if you will call Col. Jones at City Hall after you arrive so that plans can be worked out. His number is 522-4463, Ext. 430.

Sincerely yours,

Dan Sweat
