Mr. Allen:

The enclosed is what
the Free Press has to say about Mr.
Wellmer.

I thank God for a gentleman
who will ^{not} ~~principle~~ ^{principle} about politics.
He also knows that Atlanta and
Georgia will drift into oblivion,
never again to rise, and this could be
the most shameful thing that could
happen. I don't want to see Atlanta
and Georgia to go to hell like Birmingham
and Ala.
