Mr. Ivan Allen
Mayor- City of Atlanta
City Hall
Atlanta, Georgia

Dear Mr. Allen:

I would like to thank you for the wonderful representation you gave to our city, during the hearings in Washington last week. This is all we could ask for and all we could ever need.

I was born in this city- 41 years ago- and have been fortunate enough to see the change coming- and lucky enough to have made the necessary changes and still bring up three children, without any form of human prejudice. I have been ably assisted in this by people like your father and your self, among others.

Let us all hope and pray that Atlanta will continue to be represented by someone with your outlook on the future as well as the present.

JLA/ga

Very Truly Yours,

Julian L. Aiken
