Mayor Ivan Allen Jr., City Hall Atlanta, Georgia

Dear Mr. Mayor,

I have been away from my office for a short while, but I also wish to register with you my sincere appreciation for your testimony before the Senate Commerce Committee. It took courage for you to elucidate your strong position on behalf of justice and right. I know, in the end, thousands of others thinking differently, will finally come to agreeing with your stand. Congratulations.

Very respectfully. Clauder F. Earl McLendon, M. D.
