Mr Ivan Allen Jr.
City Hall
Atlanta Ga.

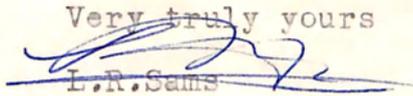

Dear Sir:

I am one of the four hundred and forty thousand white Georgians who voted for Lester Maddox as the lesser of two evils, after seeing the way you and your henchmen handled the Rebs restaurant mess and you violating your oath in showing special favor to the negro ball player wife giving her your personal apology.

The policemen should have never been suspended in the first place without a hearing and it goes without saying that if the negro was due an apology they should not have been reinstated.

If I should be so uncomplimentary in my remarks about you as you have been by calling over four hundred thousand fine Georgians stupid, ignorant implying we were disloyal to the state of Georgia, I might say that you were an arrogant, egotistical Damn fool.

Very truly yours

~~L.R.Sams~~
