Dear Mr Allen,

As a citizen of this City, I am deeply saddened that you would agree with the proposal in the Civil Rights Bill, regarding the "public accommodations" article.

You are a wealthy man, as a result of your father's hard work, as a pioneer in the free enterprise system, or the American Way of Life.

Mr Allen, how could you?

Mr Valentine wrote an article in the paper, that letters were for you 2-1 in your stand, throughout the nation. What was the percentage

2.

of people against you in  
the Atlanta area.

Thank you for your reply  
to my question.

Yours truly,

"An Atlanta Taxpayer"  
(Mrs) Catherine Currey.
