Demand that the Community Relations Committee be abolished!!!

Taxpayers of Atlanta, Do you know that \$18,000.00 was approved by the Board Of Aldermen-To be given Morehouse College in violation of All City Laws???? (Negro) Private School--The City Law says that no Public Funds will be given to Private Institutions. Lets see now if the Fulton County grand Jury is not politically stacked and will investigate this give-away of Tax Payer's Funds.
