Part I Amendment to the Urban Renewal  
Plan and the Loan and Grant Contract

Dear Mr. Edmonds:

In accordance with the HUD Handbook and Regional Office Memorandum No. 64, we are herewith transmitting five (5) binders of a Part I Amending Application to the Urban Renewal Plan and the Loan and Grant Contract for the University Center Project.

The purpose of this amendment is to delete certain parcels of land from acquisition and to change the land use of certain disposition parcels in order to provide more housing in the project area.

This Amendment increases the Total Federal Capital Grant by \$271,868 from \$5,246,985 to \$5,518,853 and increases the Project Temporary Loan by \$78,700 from \$8,643,951 to \$8,713,651.

We are confident that this Amending Application will receive your earliest consideration to enable the Authority to proceed expeditiously with our redevelopment efforts in University Center.

Very truly yours,

Howard Openshaw  
Director of Redevelopment
