

September 8, 1966

Mr. Frank G. Etheridge  
Title Building  
Atlanta, Georgia

Dear Tobe:

I am delighted to learn that consideration is being given to a proper commemorative for the Honorable Dean Rusk, Secretary of State. I think this would be most fitting in Atlanta and I am pleased that you are working on it.

I am forwarding this information to our Atlanta Civic Design Commission which is well qualified to render an opinion as to the most appropriate location. Mr. Samuel Inman Cooper is the Chairman of this committee and by copy of this letter I am asking him to furnish us the suggestions of his committee. Upon receipt I will be in touch with you.

Sincerely yours,

Ivan Allen, Jr.  
Mayor
