Dear Mr. Katz:

Thank you for your letter of August 11 to Mayor Allen, in which you made certain suggestions about community relations of Atlanta. We certainly agree with you that there is need for greater involvement on the part of citizens in programs which will contribute towards solutions of our pressing urban problems.

There are other other groups which have expressed an interest in the kind of program which you propose, and I shall try to get you all together very soon.

Sincerely,

(Mrs.) Eliza K. Paschall
Executive Director
