MEMORANDUM

To: Sam Williams

From: George Berry 

Subject: Telephone Bill -- Atlanta Urban Corps

During the period of May 13 to June 13, 1969 the Urban Corps made over 160 long distance telephone calls at a cost of over \$200. Please see to it that this extremely high rate of long distance calls is reduced. Are you keeping some justification for each long distance call as we require in other departments of the city?
