Ivan Allen:

From your speech to the papers for publication, I believe that you used up all of the phrases and expletives that you could think of to berate and lower the MAJORITY of the voters that voted in the run-off election, they fit the ones that voted for Arnold ~~rather~~ than they do for the Maddox voters, I would be willing to bet you that there were more voters that signed their names with an X that voted for Arnold than voted for Maddox and Maddox got the HIGHEST NUMBER OF VOTES.

At least the ones that voted for Maddox were ALL GOOD AMERICANS, NOT REDS, PINKS, one worlders or any of the other OFF-BEAT BEATNICKS like yourself and a lot of the others in Atlanta that voted for Arnold.

the Ultra-Ultra Liberals are a lot worse losers than the Conservatives are, the Liberals want to control the whole world, make one world government out of it.

I HOPE that in the Next Election that we can get RID of you and YOUR ILK in the City of Atlanta, I was born in the City of Atlanta city limits as it was in 1912, and I am ashamed of the City of Atlanta and have been for QUITE a FEW YEARS and all because of its politics.
