

Atlanta--Monday-- 7 P.M.--October 4, 1966

May Or All-in, Ivan The Great:

Please announce to the press that you will be the coordinator for LeRoy Johnson in his campaign to run for Congress.

Samp Hppkins is our choice for public relations man or the writer to prepare handouts.

You helped us smash Ellis Arnall when the Atlanta papers said you were pbesent in Newnan for the barbecue.

Thousands of people of Georgia are laughing at you besides the vote getter Hon. Lester Maddox, a Christian gentleman.

Lester came up the hard way and had to work when a young man to help feed the family. He's a good business man.

Your were brought up in the lap of luxury. Never have you been hun- gry except for power--political and financial power.

Arnal said the shore was dimly seen

Before the primary date the score was ~~#####~~ seen plainly

May Or All-in, YOU, Ralph, Gene, Goldsten, Dick, Martin Luther, LeRoy, Sylvan Myer at Gainesville, enabled us to defeat the Newman Bragger.

Don't welt because Charles saw the score in advance.

Madcats,
