

Mayor Ivan Allen
City Hall

As the parents of the children at Warren Jackson School, we feel that it is necessary for their safety that a police woman be stationed on Mt. Paran Road to assist them in crossing.

We feel that economy is not a factor where the safety of our children is involved.

Parent: Mrs. Carleton H. Bremer
Mayor Allen,
Thank you for your attention and
cooperation - This is a very bad route
for our children to travel -
