Mr. Harold Sheats  
County Attorney  
Legal Department  
504 Courthouse  
Atlanta, Georgia 30303

Reference: Adamsville Health/Recreation Center

Dear Mr. Sheats:

Thank you for your letter of May 27, 1969 concerning severe vandalism to the Health Clinic building at Adamsville.

We, of course, would like very much to acquire the Health Center and use it in conjunction with the Recreation Center at this location. As I understand it, the City Attorney's office would like to discuss with you the City's position relative to ownership of this property. Thus, I am sending a carbon of this reply and a Xerox of yours to Mr. Thomas F. Choyce, Associate City Attorney.

Our position, of course, is that the City owns part of this property--and we would like to acquire the other part. Just as soon as my superiors have reached a decision in this matter, I will let you know.

Cordially,

Jack C. Delius  
General Manager of  
Parks and Recreation
