Mr. Jack Delius, Manager
Atlanta Parks Department
City Hall Annex
Atlanta, Georgia 30303

Dear Jack:

As a result of our conference yesterday afternoon, it was my understanding that you are again to check with the City Attorney to determine the City's legal rights to lease or sell park properties for the purpose discussed.

When you have made this determination, please advise so that we may know how to proceed.

Sincerely yours,

R. Earl Landers
Administrative Assistant
